## THIN-FLEX SCUFF PADS

### Strong and Perfect for Tight Spots

Thin-Flex is an incredibly flexible, yet durable product that is perfect for use on contoured surfaces and for getting into tight spaces. It can be used for fine finishing and surface preparation.

A special coating process ensures the grain is exposed for superior and consistent cutting action that is second to none.

- Lasts longer than competitive pads
- Gives a very consistent scratch pattern
- Incredible flexibility to get into hard-to-reach areas
- Maroon pads are for use before primer and on primed surfaces
- Gray pads are ideal for blending and final scuffing of primer
